Dear Hiring Manager,

I am writing to express my interest in the Graphic Designer position at your company. With four years of experience in the field and a passion for design, I am confident that I would make a valuable addition to your team.

My experience in graphic design has allowed me to develop a keen eye for detail and a mastery of design software such as Adobe Photoshop, Adobe Illustrator and Figma. Over the years, I have honed my skills in branding, print design, and digital media, and I have a proven track record of delivering high-quality designs that meet clients' needs and exceed their expectations.

At my current position at Live Deftsoft Informatics, I have been responsible for leading the design of a variety of projects, from logos and brochures to websites and digital ads. I have also worked closely with cross-functional teams to ensure that designs are aligned with company goals and brand standards.

I am particularly excited about the opportunity to join your company because of its reputation for producing innovative and impactful design work. I am eager to bring my skills and experience to your team and help drive the success of your projects.

Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications with you.

Best regards,

**Jasreen**
